**THE BEST
OPTION**

**UNLOCK YOUR CHILD'S POTENTIAL
WITH STEM HOME SCHOOLING
EXPECTATIONAL AND FLAWLESS
LEARNING EXPERIENCE!!!**

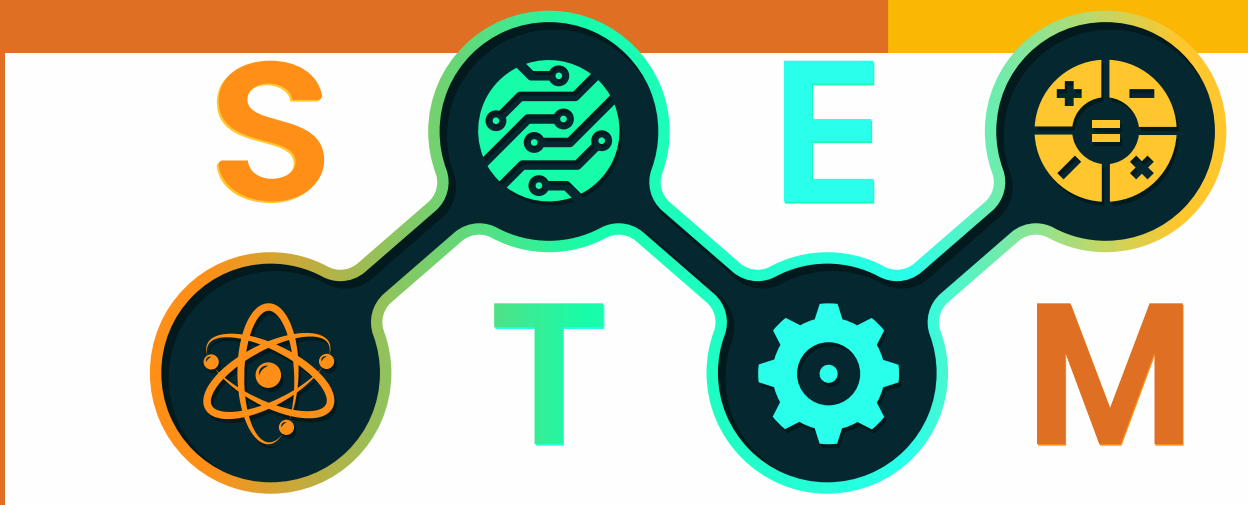

WELCOME TO A-LEVEL-UP INTERNATIONAL ACADEMY HOME SCHOOL

Where Your Child's Dreams Soar!

At A-Level-UP Home School, we offer a world-class education in STEM (Science, Technology, Engineering, and Mathematics) subjects through the renowned Cambridge syllabus.

Our program empowers students aged 13 to 19 to excel academically while pursuing their passions and interests outside the classroom. Online and in person that helps your

Child progress to some of **"The World's Top Universities or Our Homegrown Excellence: You Decide!" Making Dreams Reality: Harvard, Wits, or Beyond!"**

HOW IT WORKS

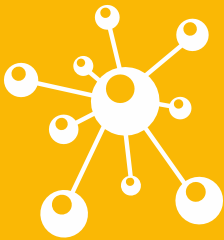

We offer online and in person classes at the address of the last page.

You'll be invited to join a course Expect and 5 other students in the class.

With small class sizes, your child receives individualized attention to ensure they reach their highest potential.

FLEXIBILITY AND PERSONALIZATION

Your Child's Education, Their Way!

Our flexible learning model allows students to attend classes at their convenience, providing ample time to explore other interests like sports, horse riding, dancing, and more.

With small class sizes, your child receives individualized attention to ensure they reach their highest potential.

EXPERT-LED LEARNING

Expert Tutors:

Your child will learn from industry experts, including those with degrees in engineering and related fields, ensuring top-quality education.
